CheckedSafe Launch of Job Cards and Exciting announcement

Background

- As many of you know we continuously develop our offering at zero cost to you guys – many of these developments are from your input and are generally for the CheckedSafe community to enjoy.
- Our latest is Job Cards – its taken a while as we wanted it right - we think it's a great feature and one that will cement our reputation even further.

Allocating a job out to a User (App) via the back office from an existing Defect reported

By clicking assign you get this pop up

Job Type * DEFECT

Choose Defect * BLG4EE - Horn - Fail on 02/08/2022 07:15 by GaryPara

Available To

Select * From Roles, or From Users

Users * Gary Hawthorne (GaryPara)

Job Information

Scheduled Date (Start - End) * 02/08/2022 03/08/2022

High Priority?

Create a Manual Job Card not linked to any Defect

The screenshot displays the CheckedSafe web application interface. A modal window titled "Create Job Card" is open, showing the following fields and options:

- Job Type ***: A dropdown menu currently showing "Nothing selected".
- Available To**: A section with a "Select *" label and two radio button options: "From Roles, or" and "From Users".
- Job Information**: A section with a "Scheduled Date (Start - End) *" text input field and a "High Priority?" checkbox.
- Buttons**: "Cancel" and "Create" buttons at the bottom of the modal.

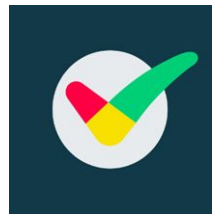

Annotations with arrows point to specific elements:

- "Select who to" points to the "From Roles, or" radio button.
- "Pick from dropdown" points to the "Job Type" dropdown menu.
- "Start/end dates" points to the "Scheduled Date" input field.
- "Create" points to the "Create" button at the bottom of the modal.

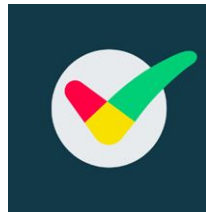

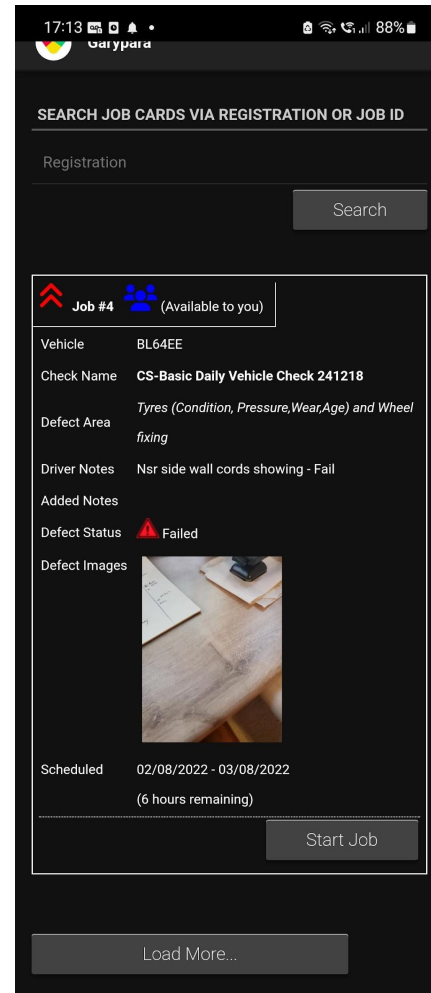

Additional annotations on the background interface:

- "Click Create this opens up a manual create option" points to the "Create" button in the background table's "Actions" column.
- "Create This sends the job direct to the person(s) you selected above" points to the "Create" button in the modal.

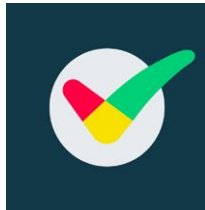

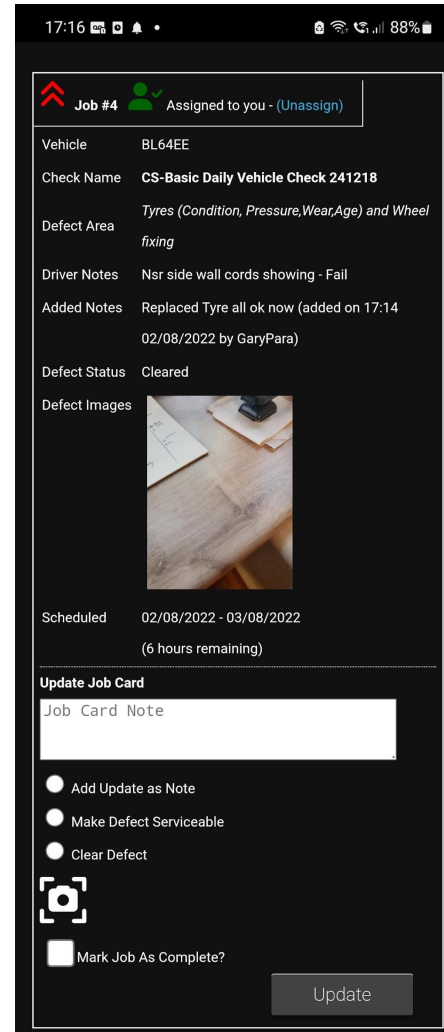

The background interface shows a sidebar with navigation options like Dashboard, Team, Vehicles, Checks/Inspections, Notifications, Messages, Reports, Lone Worker, Scheduling, Job cards, View Job Cards, Admin, User Guides, and App. The main content area displays a "View Job Cards" table with columns for Vehicle Registration, Job ID, and High Priority, showing 0 entries.

Using the App to manage the job Assigned when you open the app on the star menu you will see Job Cards and any waiting will be a number in red

Open the Job, add notes, choose the clear options – take photo of job done – mark as complete (if it does not require any further work - Update

You get the
comformation on
your handheld so you
know you have
completed the task

 Job #5  Completed

Vehicle BL64EE

Check Name **CS-Basic Daily Vehicle Check 241218**

Defect Area *Horn*

Driver Notes Not beeping - Fail

Added Notes Fixed wiring and all good now GH (added on
17:18 02/08/2022 by GaryPara)

Defect Status Cleared

LICENSE CHECKS!!!

- We are excited to announce we are in the last test phases of our License checking module
- Same platform as you use now
- Integration into existing staff area
- Scheduling in line with YOUR requirement
- Red-Amber alerts based on YOUR categories
- Check when you want to

Sample Screen Grab of License Check

The screenshot displays the CheckedSafe software interface. The top navigation bar includes the CheckedSafe logo, the user 'Admin 1.8.19-1', and a menu icon. The left sidebar contains navigation options: Dashboard, Team, Vehicles, Checks/Inspections, Licence Check (selected), Licence Check Dashboard, View Checked Licences, View Permissions, Notifications, Messages, User Guides, and App.

The main content area is titled 'LicenceCheckCompany' and shows a summary of driver status:

- MISSING MANDATES:** 3
- HIGH RISK:** 8
- MEDIUM RISK:** 6
- LOW RISK:** 195

There are two primary data sections:

8 High Risk Drivers (checked every 1 month)
